2026-2027

Fondation
pour la
Mémoire
de la
Shoah

A private foundation for the benefit of the public, the Foundation for the Memory of the Shoah pursues its program for assisting research in all fields concerning the Shoah, its origins and consequences, up to the present day, as well as studies on past and contemporary anti-Semitism, in its various forms.

The Foundation favors projects that lead to **new fields of knowledge falling within comparative history and literature**. It also attaches great importance to European, international and interdisciplinary perspectives, which associate historical, anthropological, sociological, juridical, philosophical, psychological and literary analyses.

Emphasis is placed on research on French aspects of the Shoah.

PROPOSED GRANTS
